Step 1: Application Submittal and Acceptance

A zoning compliance permit is required for a change in use or commencement of an activity that does not require any other specific permit as listed in the Red Cross Zoning Ordinance. The applicant may submit a complete application packet consisting of the following:

- Completed Town of Red Cross Zoning Compliance Permit Plan Application
- Site plan drawn to scale, if applicable. The plan shall include the items listed in the zoning compliance permit site plan design standards checklist.
- Any other documentation deemed necessary by the zoning officer
- Number of copies submitted:
 - 1 hard copy of ALL documents

On receiving an application, staff shall determine whether the application is complete or incomplete. A complete application contains all the information and materials listed above, and is in sufficient detail to evaluate and determine whether it complies with appropriate review standards. If an application is determined to be incomplete, the applicant may correct the deficiencies and resubmit the application for completeness determination. Failure to resubmit a complete application within 45 calendar days after being determined incomplete will result in the application being considered withdrawn. Applicants may submit applications for a site plan and building permit concurrently.

Step 2: Staff Review and Action

Once an application is determined complete, it will be distributed to appropriate staff. Staff shall review and prepare a written report that will include any outstanding concerns with the application. The applicant must address any outstanding concerns for approval. Staff shall approve subject to conditions or disapprove the application. Conditions of approval shall be limited to those deemed necessary to ensure compliance with the standards of the Red cross Zoning Ordinance.
